February 2010

Pancakes in your P.J.'s Day still a favorite!

From sled rides in laundry baskets, pushing balloons with our noses to eating pancakes that were not only round but made into letters, we all had a super fun day at our annual Pancakes in Your Pajama Day. We knew this for sure when two parents reported that the next day their children were trying to convince them that they were suppose to wear their pajamas again! I do believe some fun memories were made!

Spring break

We just want to say thank you to those of you who have been consistent in keeping up with their tuition payments. Also we appreciate those great snacks that you have been sending each month. This helps us so much to keep up with Noah's Place's financial obligations.

From the Director,

I just want to thank the parents who have already enrolled their children for our 2010 summer and fall sessions. We still have a ways to go before our classes are filled and perhaps you could help. Most of the new families that come to Noah's Place have come because they have been referred by you. As a reminder, if you do refer a family that enrolls their children then your pre-registration fee will be credited back to you on your first Fall statement. Helping us by picking up some brochures to pass out to your friends would be greatly appreciated.

We are planning a Craft & Vendor Faire/Bazaar the weekend before Mother's Day, (Fri 4/30 & Sat. 5/1). If you might be interested in displaying your wares, please see Teacher Colleen for more information.

This month for our Bible theme we are focusing on the life of David, how he was called a man after God's own heart, and a friend. We are emphasizing the friendship aspect and how God wants us to be kind to one another. We look forward to a great month together and still feel very blessed that you have chosen our school for your children.

May God bless each of you,

Sharon Rosing
