We always look forward to the fun that special event days have to offer at Noah's Place and our Valentine's Day celebration was no exception. We did some baking, painting, made necklaces, decorated our Valentine holders, exchanged Valentines and had individual class parties. Thank you's go to the many parents that came and helped. We love it when you help us celebrate, so do your children.

Easter Egg Hunt

Thursday, April 1st (not fooling!)

Please help us by sending 1/2 doz. plastic eggs filled with wrapped candy or stickers. Let us know if you can come join the fun and help hide the eggs for the big hunt!

From the Director~

I get so excited when I see the first buds appear on the trees. It means spring is just around the corner and that reminds me of the new life God is giving us. He has indeed created a beautiful world for us to enjoy. It also reminds me that in just a little over three months our Noah's Place students will be either graduating or moving up to a new class.

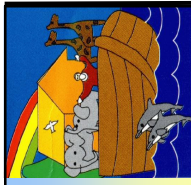

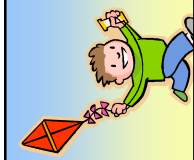

The spring also brings some of our favorite events. This month we will begin practicing our songs that we will perform at our annual Mother's Day Tea in May. Before that however, we are planning a Vendor & Craft Faire. If you represent a product or handmade creations and would like to display your wares at this event, please see Teacher Colleen for details.

I want to say again, that we are thankful to God that He has blessed Noah's Place with families like yours. We feel called to teach your children and do consider it a privilege. May the Lord richly bless each and every one of you,

In His Love,
Sharon Rosing
