

Noah's Place News

Volume 8 Issue 6

Information to you from M.S.C.C.'s Noah's Place Preschool

January 2010

Were back...and ready for a New Year!

It was hard to believe that the stars of the 2009 Christmas program were only 2 yr. olds through 5 year olds. They did an INCREDIBLE job singing and signing songs as they related the story of Jesus' birth. Remember if you weren't able to get that special photo of your child, don't fret as we have video taped the program and it will be on our DVD that will be available to you at the end of the year.

Important Information - A CHANGE: Regarding Fall 2010 pre-registration

We are rescheduling the pre-registration dates for currently enrolled families from the week of the 26th of January to the week of January 11th-14th. Noah's Place will be participating in a Pre-school Forum sponsored by the Lake Oswego Parks and Recreation and the Lake Oswego Mother's Club on the evening of the 14th. At that time pre-registration will be opened up to the public. Please use the opportunity to pre-register for our Fall 2010-2011 sessions by the 14th of January to insure a space for your child. New pre-registration forms will be available on our information table. If there is enough interest, we will be providing a summer session. As an incentive, If you should refer a new family that enrolls their children at Noah's Place's fall session then we will credit back to you your pre-registration fee on your first fall statement. Please join us in praying that God would provide just the right amount of students that we need to support Noah's Place for next year.

From the Director~

We hope each of you had a blessed Christmas as well as a Happy New year celebration. As we venture into a new year together, we are enthusiastic about our curriculum plans for your children. Our Bible theme will begin by exploring the life of Moses and how God shows us through Moses' life, how mighty and powerful He is. Academically, we will be breaking into more small groups so that we can better meet the needs of each child. We will continue to motivate the children with creative art projects, music and activities that will help to meet their need for physical activity. As always there will be opportunity for just free play. If any of you would like to come in and help with crafts, small group activities or help prepare for crafts at home please let us know.

May God's richest blessings be yours in 2010,

Sharon Rosing

 **Calling ALL kids! WED. Jan. 13th is**  **PANCAKES in your PAJAMAS DAY!**

That means you get to wear your favorite PJ's to school, (so do your teachers!) We'll have lots of fun rotating to different rooms doing fun activities and even earning little prizes! Then we will be serving you a yummy pancake breakfast! As always we welcome extra adult-sized helping hands to cook pancakes, help with activities and serve the children. Some children have said that this is their favorite event of the year!
