One of the ways that we were able to get some of the wiggles and energy out of our students on our many rainy days in March was to strike up the band! Above is our Cubby Bear class led by Teacher Joy marching out in our modular room. We are all looking forward to the warmer spring days that will allow us to go play outside.

From the director-

It amazes me how fast this year is going by. It's hard to believe that we only have a little over two months of school left before the last day of this session. How the children have grown and matured. Our last days of this session will be full as we prepare for the Easter season, Mother's Day, Pre-K Conferences and Graduation along with our maintaining our regular curriculum schedule. We will be starting our Summer Adventure camps before you know it! By the way, if you haven't yet signed up your children for the summer or fall sessions please do so soon so we can know how to plan.

Spring is definitely the time to be reminded of new life! How many of you remember an old song called "Pass it On"? Here are some of the lyrics to it:

What wondrous time is spring when all the trees are budding,
The birds begin to sing, the flowers start their blooming.
That's how it is with God's love, Once you've experienced it,
It's fresh like Spring, you want to sing, you want to pass it

My hope is that each of you experience a wonderful spring, one that reminds you of how much God loves you and your families! A love so great that He sent His only Son Jesus to save us!

Happy Spring,
Sharon Rosing

We'd like to say a special THANK YOU to those of you who have been diligent in paying your tuition on time. Please remember, when you get behind, we get behind too!
